

ASPE Richmond Chapter NEWS

March 2014

Next Scheduled Meeting

Date: **March 25, 2014**

Time: 11:30 am - 1:00 pm

Place: The Holiday Inn Express -
9933 Mayland Dr.

Richmond, VA. 23233

Joint Meeting with SFPE

Speaker: Bryan Berkle of the Viking
Corp

Topic: Storage Sprinklers

Price: \$15.00

PRESIDENTS MESSAGE

I just want to ask one question. WHEN WILL SPRING REALLY BE HERE? I'm over all this snow and cold weather.

For those of you that came to last month's meeting, I want to apologize for all the confusion. The hotel had double booked our space. We at that point used the area outside of the conference room (which was really tight for over 30 people). To top it all off, when I returned with the food, they were putting another groups food where we were occupied. They had to pack up the food so that we could put our food down. Anyhow, we managed to pull it off without me losing too much hair or turning more grayer.

Last month we also awarded the Richard L. Clark Mentoring Award to Glenn Rose. Josh Landis from Hankins and Anderson nominated Glenn for this award. What was special about this award was that H&A's whole plumbing department was there to be part of presenting him the award.

Please read Josh's letter to nomination letter for Glenn on page 2 of this newsletter.

We are down to the last few classes for the Plumbing Design Review (CPD Prep). I want to thank all the instructors for their support in making this class a success.

As stated last month, please see on page 7 for VA Code Official VPMIA Joint Conference application form. The conference will be held on April 2nd, 3rd, and 4th at the Holiday Inn Richmond Airport. Please see the attached form for more information on the type of classes, schedules and dates.

Presidents Message Continued

Our March meeting will be a joint meeting with SFPE. We will be hosting this meeting so the location will be the same. Our Speaker will be Bryan Berkley, of the Viking Corp. and his topic is Storage Sprinklers. Please make sure you make it out to the meeting.

Please note next month we will be voting for our new board. So if you're interested in holding a position on the Board please contact any of the Board that are listed.

Please note the price cut on advertisement for this newsletter on page 8.

I hope to see you at the March meeting.

Tina Capece, CPD
President
Richmond ASPE Chapter

Mentorship Award Nomination for Glenn E. Rose:

For the past 7+ years I've had the privilege of working with Glenn. New to the industry, Glenn was one of the first people I met. While in the beginning I found him to be a man of few words, his knowledge and guidance spoke volumes. The knowledge and wisdom he has imparted on me has been a great help throughout my career. I truly believe my success is in part due to his support and mentorship. He has been an excellent friend and teacher to many, including myself.

While I can't be there for the presentation of this award, I can only hope to convey the value and true appreciation for everything I have learned from Glenn. It will forever remain a major contributor behind my success and achievements. I am pleased to be able to continue working with Glenn and I look forward to the day that I may do the same for someone else, that he has done for so many.

Josh Landis

Fuel Storage

Applications, Codes & Standards

A C.E.U. ACCREDITED COURSE

For Anyone Involved With Fuel Storage Systems

For a limited time Core Engineered Solutions is offering one hour training sessions covering relevant codes, applications and standards within the Fuel Storage industry. Sessions will touch on various applications including vehicle dispensing, emergency power, aviation fueling, marina fueling, alternative fuels and more. Anyone involved in specifying, designing, purchasing or operating a fuel storage system should attend.

- 1. Get up to date on the latest fuel storage codes, standards and applications**
- 2. Receive CEU or PDH credits**
- 3. Training takes place at your office at your convenience**

Training sessions have been certified by The Practicing Institute of Engineering (PIE) for one Professional Development Hour (PDH) as well as C.E.U. credits. Best of all we come to your office at your convenience (for large groups we can schedule an off-site training session). To schedule your training sessions or for additional questions please feel free to contact me at any time.

Topics Include

- 1. Comparison of AST's, UST's and Vaulted Tanks**
- 2. Fuel Storage Systems Maintenance**
- 3. Codes and Standards Overview**
- 4. Designing an Emergency Power Fueling System**
- 5. Alternative Fueling Options and Standards**
- 6. Spill Prevention Control & Countermeasures (SPCC) Updates**

Applications Covered

- Vehicle Dispensing
- Emergency Power
- Marina Fueling
- Aviation Fueling
- Boiler Backup
- Alternative Fuels

Who Should Attend

Anyone involved in specifying, designing , purchasing or operating Fuel Storage Systems should attend. For More information or to set up a training session contact David Butts at dbutts@core-es.com

VICE PRESIDENT - TECHNICAL

Istvan (Stefan) Godri Martis, CPD
CCRD

"We would like to thank everyone who came out to the February session meeting. A special thanks to Dave Butts – Core Engineered Solution for speaking about **"Fuel Oil Piping Systems"**.

Thanks to all of our generous meeting sponsors for providing the table top displays.

This month we will have our annually joint meeting with the Society of Fire Protection Engineers. The topic and speaker for March 25th , 2014 will be **"Storage Sprinklers"** as presented by Bryan Berkley – National Technical Representative of Viking Corporation.

I would like to invite everyone to provide me feedback on the topics presented monthly and if there is a topic you would like to learn more about please let me know. Please contact me at istvanm@ccrd.com."

Thank You

at tina.capece@ha-inc.com.

Monthly Sponsorship Opportunities

The Richmond Chapter of ASPE continues to have successful meetings and is looking to continue improving throughout the year. The strong foundation that began in September is the springboard for an even better year than last year.

Last year the Chapter initiated the following spon-sorship opportunities that were well received:

Door Prizes - Miscellaneous door prizes given away at the monthly meetings for no cost to the attendees. This includes announcement in the newsletter, multiple email notices of the meeting and announce-ment at the monthly meeting sponsored. **(only provided if donated to ASPE Richmond Chapter before the meeting)**

Tabletop Presentations - Opportunity to provide a tabletop presentation of equipment or material relative to the plumbing profession for a monthly meeting. The tabletop will be set up from beginning to end of the monthly meeting. Cost \$85.00 with (2) free lunches.

If you are interested in any of the sponsorship opportunities listed above OR any other opportunities to sponsor please contact Tina Capece, CPD

tcapece@ha-inc.com

April 2, 3, and 4, 2014
