You cannot afford to miss the 2016 ASPE Convention — the only professional development and technical education event designed to enhance the career growth of plumbing engineers and designers. Twenty-five educational sessions taught by experts currently working in the field of plumbing engineering will be offered, allowing attendees to accumulate the knowledge and skills they need to take the next step in their career. Even better — all of the sessions provide CEUs that you can use for CPD, PE, and other regulatory agency continuing education requirements.

PRESIDENT'S MESSAGE:

2016-2017 ASPE Richmond Chapter Season

September 2016

Welcome to the 2016-2017 season; I'd like to take a moment to thank everyone who was able to make it out for our first meeting of the season. It was great seeing everyone as well as some new faces in the crowd. I'd also like to thank those who have already expressed interest in Tabletop and Newsletter advertisements. If you, or anyone you know, is interested in advertisement options and/or placing want ads in the ASPE-Richmond Newsletter, please feel free to reach out. Our meetings this season will continue to be held at DiFazio's Restaurant from 11:30am-1:00pm on the second Wednesday of each month. Our next meeting is scheduled for October 12th, 2016 so please spread the word and sign-up early so we can continue to get accurate head counts.

Please feel free to provide comments, feedback, or recommendations. I look forward to hearing from you all and hope to grow our chapter by actively reaching out, supporting, and mentoring those who will ultimately take our industry to new heights.

Joshua H. Landis, CPD

President, ASPE Richmond Chapter

VP MEMBERSHIP

Rob Grubbs

Many of you are regular attendees at our monthly meetings, which we greatly appreciate. My question is: would you consider becoming an official member of ASPE, and specifically the Richmond Chapter? We are in need of new membership, having recently seceded a handful of members to the upstart Hampton Roads chapter. We would also ask everyone to encourage your colleagues to join or attend meetings.

You can go to this link to get your application started:

<https://aspe.org/content/join-aspe>

Also, for more information please visit our local Chapter website:

Don't hesitate to contact me if you need help or have questions. I hope to hear from you all soon!

Sincerely,
Rob

And we have the extensive product line to prove it.

When you're specifying for the next big job, you're also putting your name on the line. That's why T&S offers a vast selection of high-quality products that meet required codes and compliances — no matter the application. And with a companywide commitment to staying at the forefront of today's evolving industry, it's no wonder engineers everywhere rely on T&S when it matters most.
